## Course Description

This course is designed to provide participants with a detailed understanding of 49 CFR specific to the safe transportation of hazardous materials (not including waste or radioactive). This training utilizes a systematic approach that provides a logical flow to a hazmat shipment. Study Guide scenarios are used throughout the course so participants can practice for the examination. This ensures that all necessary steps are completed to ship a hazardous material in full compliance with Department of Transportation regulations. Materials will be provided to facilitate completing the course.

Successful participants receive a certification stating that the training meets the requirements of 49 CFR 172, Subpart H.

## Who Should Attend?

Employees required to certify that Hazardous Material Shipments are in compliance with 49 CFR.
